Dear Professor Mohamed,
The attached paper is submitted to our journal AMEN for possible publication.
Since the subject matter in it seems to be close to your special interests, we wonder whether you would be so kind to help us by reviewing this paper.

The normal time to review a paper is preferably two months. Sometimes it may take shorter or longer time.

In order to keep delays to a minimum, please accept or decline this invitation as soon as possible. If you are unable to review the manuscript, we would be most grateful if you could suggest alternative reviewers.

Sincerely,
Po - Chieh Chen,
Editorial Assistant of Applied Mathematics E-Notes
